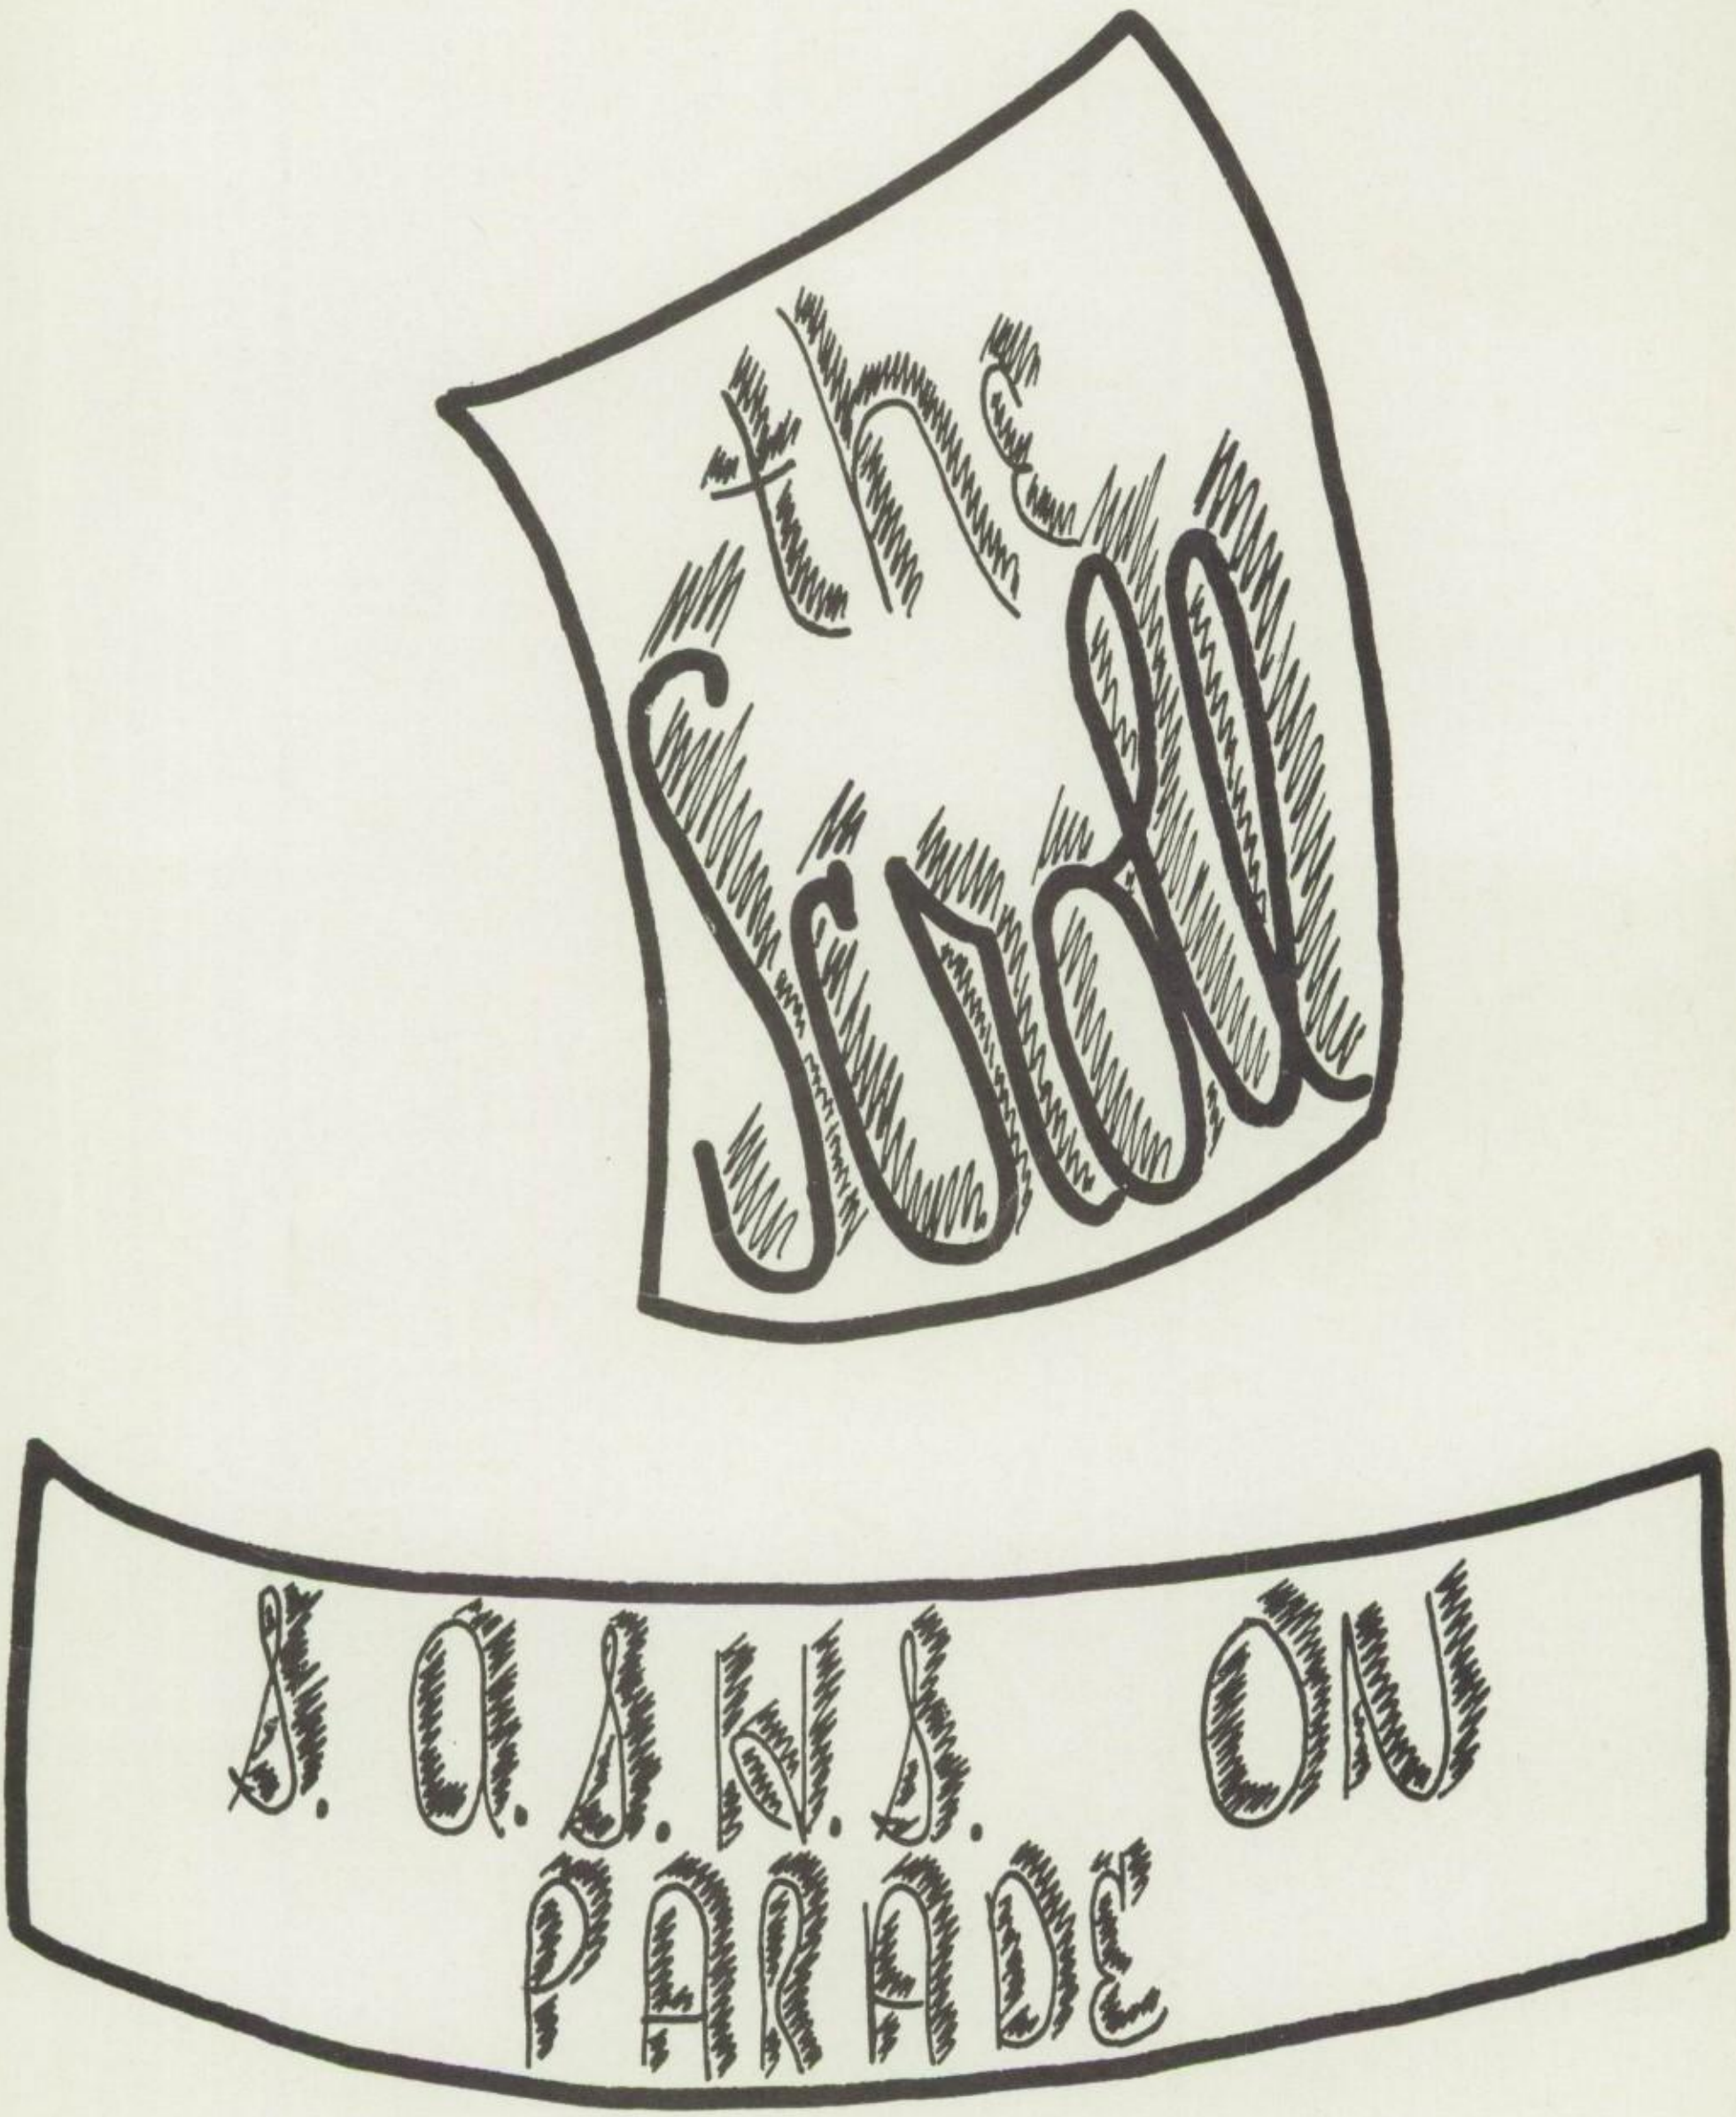
HIGH SCHOOL

the Senior Class Presents



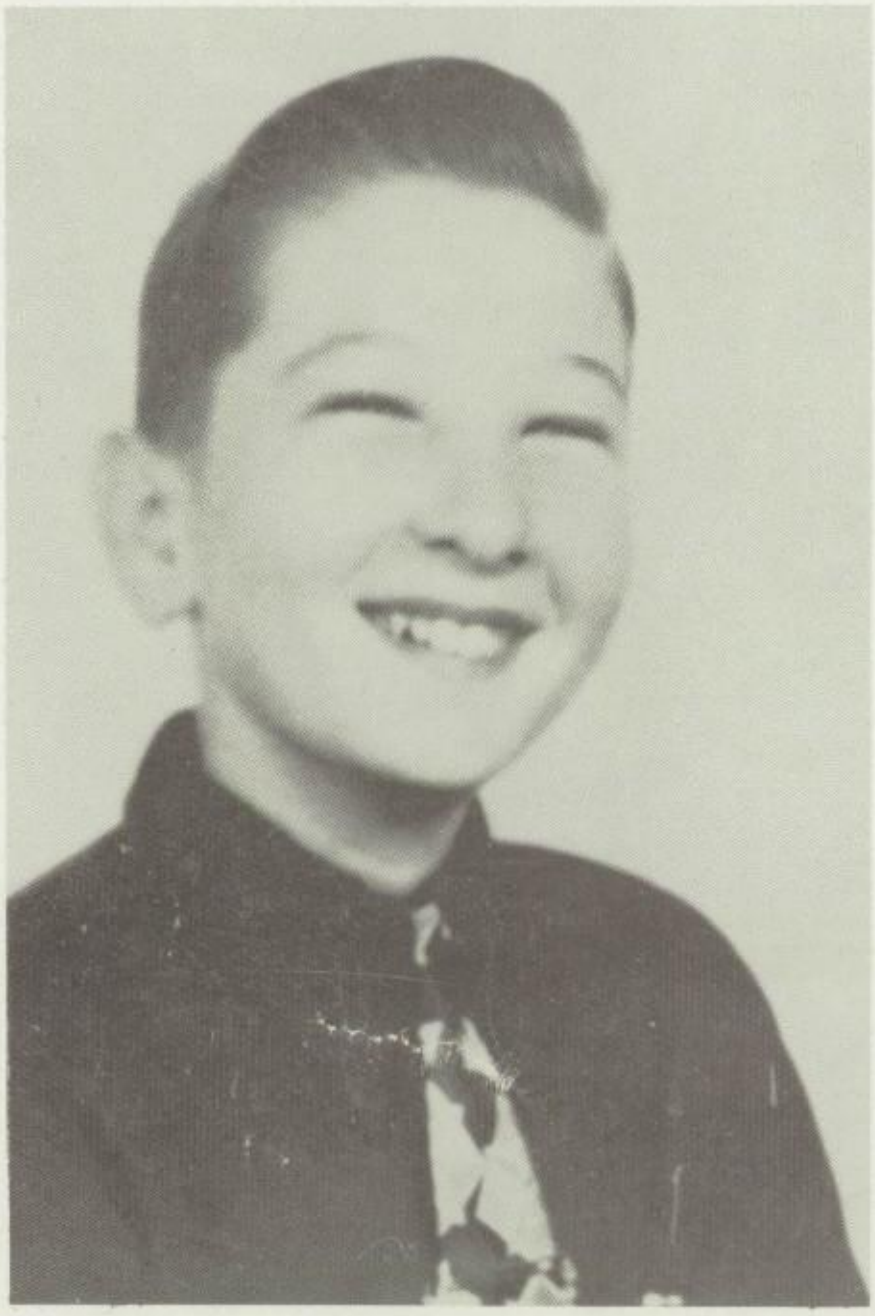
FOREWORD

Our proms, our class plays, the basketball and football games, our music programs, and homework—these memories seem like yesterday. But think ahead, twenty years from now; as you thumb through these pages, you'll recall your best pals, the year the basketball team won the conference, and the people who directed your activities. What will you be then, a lawyer, a nurse, a secretary, or pilot?

It's hard to predict, but in any case, our high school training and experiences should have taught us good citizenship and a sense of responsibility.

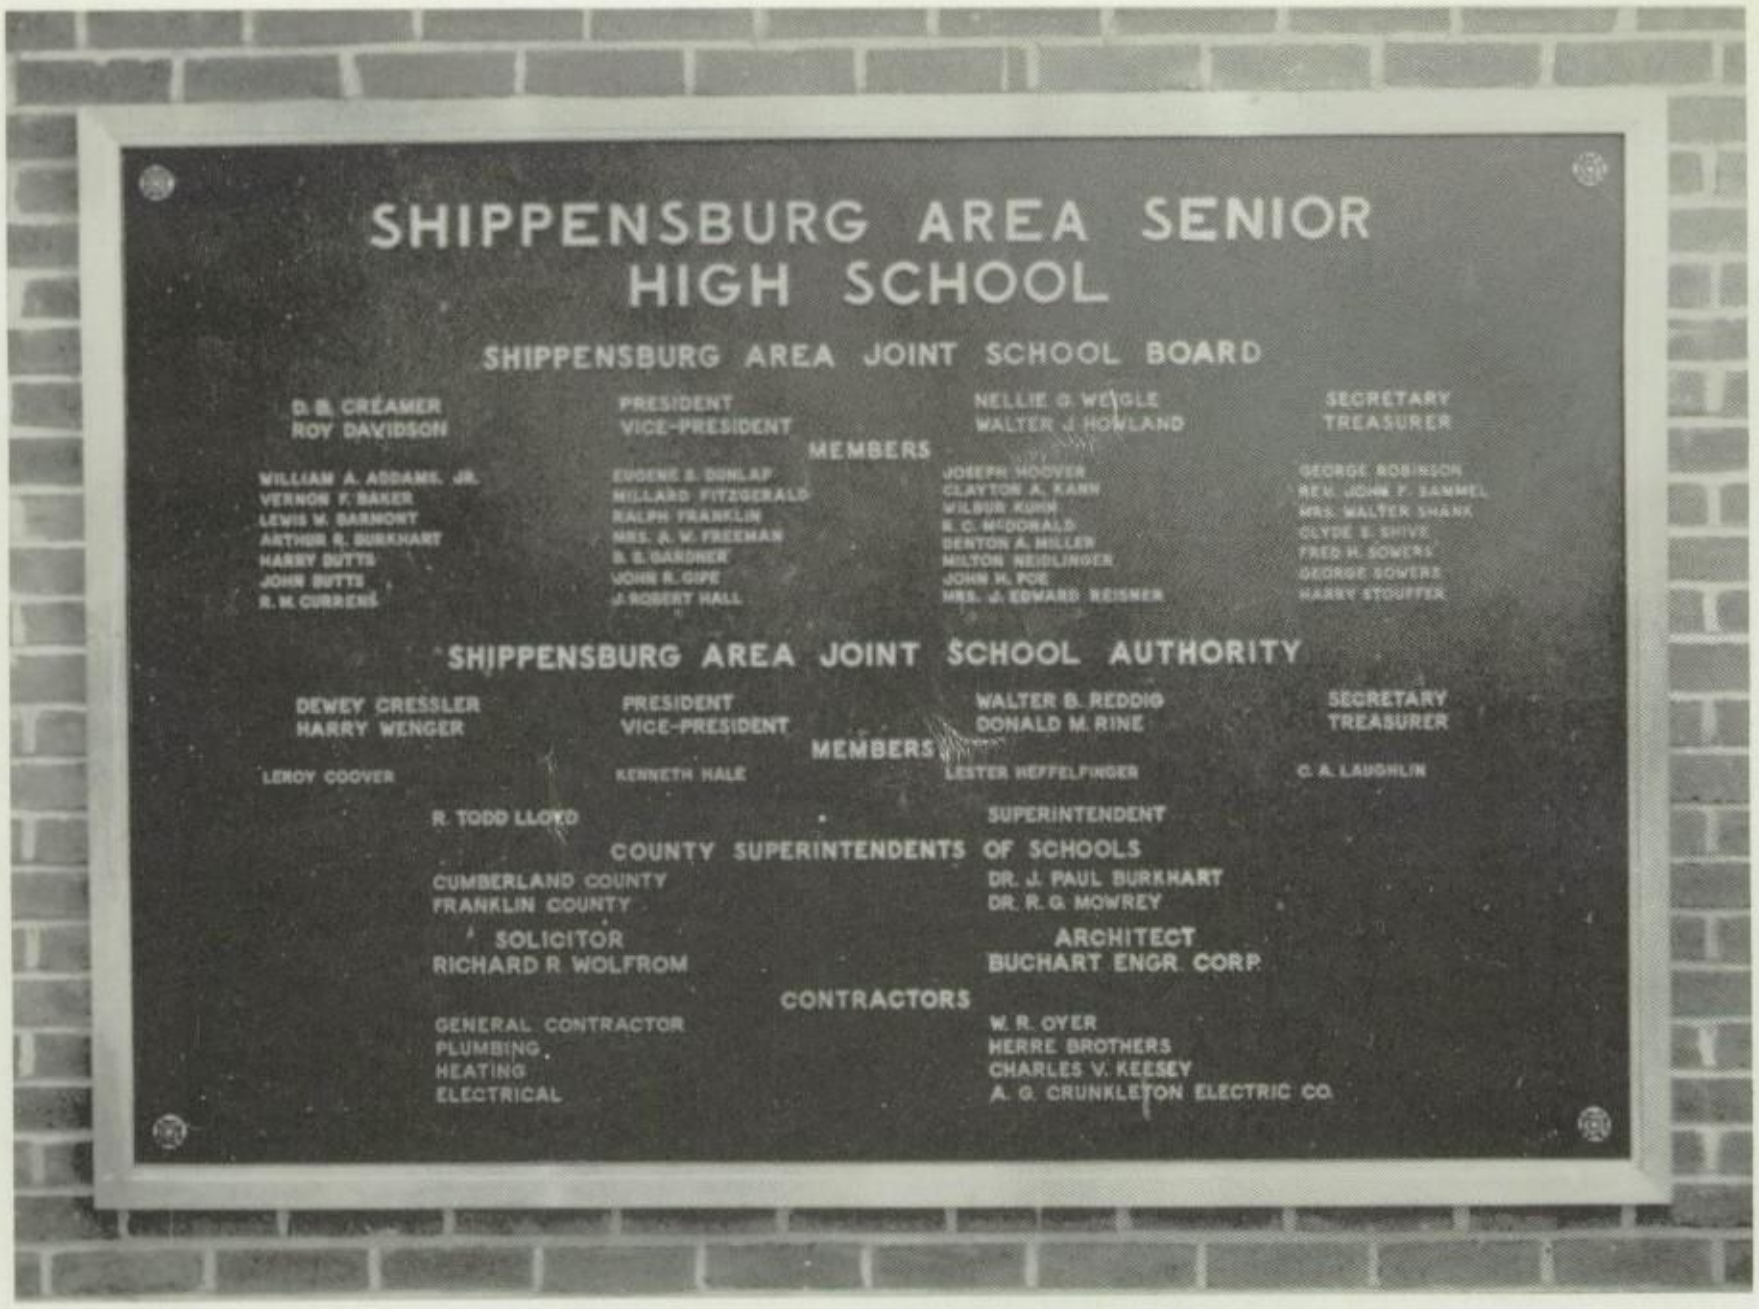
We hope this yearbook will recall fond memories, and that even now we can realize the importance of our high school experiences as we became citizens of a community.

IN MEMORIAM



The class of 1956 wishes to pause and recall a classmate who passed away in 1952.

Those who knew Larry Spero remember him as a petit friendly chap, who could always be found with a smile on his face. Larry was enthusiastic and ambitious and would do a favor for anyone. All his classmates thought amiably of this lad and will cherish his memory through the years.



ACKNOWLEDGEMENT

With sincere appreciation we, the Senior Class of 1956, wish to thank the members of the School Board, the School Authority, and the Administration for providing a beautiful building and excellent facilities for the students in the Shippensburg Area Senior High School.

As publishers of the first yearbook recording events in the new high school, the Scroll Staff wishes to thank Mrs. Joanna Rupert and Mr. Frank Lerew, yearbook advisors, Mr. Wilbur Kuhn, photographer, and the faculty members who have given their gracious co-operation and assistance to the many projects undertaken by the Senior Class.

R. T. LLOYD
Superintendent of Schools

You call your yearbook "The Scroll"—and rightly so. The yearbook has become a compendium of heart-warming memories, and is the only medium, which in the coming years, will link you with your high school days. You will wonder at times about your classmates—where they are and what they are doing. Then, reverentially, you will pour over the Scroll and say "I knew her when—". For a few years you will be in close touch with all those pictures, and then, as your careers develop and your paths diverge, the Scroll still remains faithful in keeping your friends alive in retrospect. The Scroll is all the more valuable today since your classmates are inclined to scatter themselves over a great expanse of the country in search of success and happiness.

We of the administration, as well as the teachers, rely upon the Scroll as a type of historical reference book for personal statistics concerning many of our graduates. The Scroll often talks between the lines much more eloquently than a group of grades on a report card or documented information in the guidance folders. And, then, there's your picture. It's the picture that recalls you as a student—as you were then. You look as though you were ready to conquer the world. Will you always have the hopes and aspirations that you had when that picture was taken? I sincerely hope that you will and that your lot will be one of happiness and success.

DR. CHARLES E. DAVIS
Senior High School Principal

I am happy to extend my sincere congratulations to the Class of 1956. You have earned an honored place as one of our outstanding graduating classes by your cooperation, industry, and capability. You have had an opportunity no previous class has enjoyed—that of spending your entire senior year in our fine new building.

You should be proud of your many accomplishments—scholastic, literary, musical, dramatic, and athletic. Yes, be proud of these accomplishments, but always remember our country and the world needs each of you to *continue* producing to the best of your ability. Never stop trying, learning, achieving, and helping others; these are four good roads to happiness.

CLASS HISTORY

As you join your fellow classmates to begin your last long walk up the aisle of the school auditorium, your mind drifts back . . . back to the four memorable years you spent here.

In September, 1952, we began our journey as freshmen. Although we were shy at first, we soon began to participate in the extra-curricular activities of the school. The class officers elected for the year were Bruce Hockersmith, President; Sylvester Robinson, Vice President; Lois Hovis, Secretary; and Bill Grible, Treasurer. Anne Martin and Lois Hovis were chosen to represent our class on the cheerleading squad.

We continued on our journey and became sophomores. Our most important social event this year was the Sox Hop where many danced till holes in their socks appeared. The class leaders this year were Bill Freeman, President; Bruce Hockersmith, Vice President; Ronnie Hippensteel, Secretary; and Betty Jean Kitzmiller, Treasurer.

During the summer of 1954 our new school was constructed speedily in hopes that we could enter the new edifice in September, but to our disappointment we did not move until February of 1955. Proudly we selected the White Star as our class ring. Bruce Hockersmith was elected President of the Junior Class with Bob Fitzgerald as his Vice President. Betty Jean Kitzmiller and Roger Weaver were chosen to be Secretary and Treasurer. Our Gettysburg Trip and all the fun we had shall never be forgotten. Formally attired couples danced under the stars at the Prom, and everyone had a wonderful time.

At long last September 1955 arrived, and we finally reached our long anticipated goal—Seniors!! Again we elected Bruce Hockersmith as President; Vice President, Bob Fitzgerald; and Roger Weaver, Treasurer. Vonnie Sites was chosen Secretary. "Beans for Breakfast," our Senior Class play, was a great success. We worked hard on Christmas card sales and successfully sponsored a number of other activities so that our class might go to Washington, the long anticipated trip.

As our diplomas are given to each one of us, no longer do our minds drift back but forward. These four happy years have made it possible to look to the future enthusiastically and know we are well prepared.

For the first time in the history of Shippensburg, a high school basketball team was chosen to play in the Class "A" playoffs. The Greyhounds, coached by George Kohut, earned this honor by ending the season with a 17-6 record; which was top record for an Independent team in this area.

The game of the year was played against Chambersburg in the local gym. The Hounds kept the fans on their feet during the whole game before losing in the last 30 seconds by a score of 70-66.

Leading the Shippensburg team in scoring column was Frank Wyrick, 6'4" center, with 472 points. Next highest scorer was Dick Kauffman with 324 points.

JUNIOR VARSITY

Coach Harold Bishop's Junior Hounds finished the season with a 21-2 record.

The successful season was highlighted by the Carlisle and Big Spring games. By downing the Thundering Herd 53-45 and holding the Bulldog team to a 48-15 score, the boys showed they could mix a good offensive attack with a tough defensive game.

Crawford Weistling led the Junior Hounds with 310 points.
